PROFESSIONAL SUMMARY

Data Analyst with 7+ years of experience. Skilled in Power BI, Time Series, A/B Testing.

PROFESSIONAL EXPERIENCE

AI Researcher | Instacart | 4 years
• Led team of 5 engineers in developing new features
• Improved system performance by 49%

Machine Learning Engineer | Intel | 1 years
• Led team of 10 engineers in developing new features
• Improved system performance by 54%

Research Scientist | Netflix | 4 years
• Led team of 10 engineers in developing new features
• Improved system performance by 41%

AI Researcher | Square | 2 years
• Led team of 6 engineers in developing new features
• Improved system performance by 56%
• Reduced costs by $207K annually

TECHNICAL SKILLS

Power BI, Time Series, A/B Testing, Statistics, Keras, Scikit-learn, PyTorch, Model Deployment

EDUCATION

PhD in Computer Science
Columbia University | Graduated: 2013 | GPA: 3.57
