EXPERIENCE

SMARTSENSE TECHNOLOGIES PVT. LTD | Lead Software Developer
Mar 2018 – Present | Gurgaon

- Played a major role in acquiring over 2000 daily active, unique users in just over 10 months.
- Built and managed the SenseStaff® iOS app from scratch, with self designed UI/UX.
- Contributed to the extensive Node.js backend design and development, delivering expected features on time.
- Used Firebase and AWS as the two SaaS providers.
- Handled customer support queries from time to time, delivering quick and precise solutions.
- Additionally, landed a few clients as well making use of personal connections within the industry.

FREESTAND SAMPLING SOLUTIONS PVT LTD. | Co-Founder
June 2017 – Mar 2018 | New Delhi

- Created the entire backend and the iOS application of the startup.
- Developed business, landed 4 major clients within first 4 months of inception.
- Ditributed over 80,000 product samples among college students across Delhi-NCR.

PROJECTS

BOLT | iOS App
Feb 2019 - Present | Gurgaon
Created an iOS application for The Bolt Club - India's fastest growing rider community. Used Location services efficiently to capture accurate location even in no network areas.

CELEBCONNECT | iOS App
June-Dec 2018 | Gurgaon
Created the customer facing iOS application that, manages interaction between common-man and a celebrity.

NUTRITION BY LOVNEET | iPad App
July-Dec 2018 | Gurgaon
Created an iPad application that, manages interaction between clients and a nutrionist. Integrated Firebase for real-time response, and user-friendly interaction. Used Fabric for crash reporting.

MYROUTES | iOS App
March 2018 | New Delhi
Created an iOS app during the interview process for a startup which showcased the code quality, learning capabilities and quick implementation. Without prior knowledge about any of the Google Maps SDK and Places API, coded the entire in less than 24 hours.

INCOG-NEAT-OH | iOS App
Dec 2017 - April 2018 | New Delhi
Created a private browser app for the final year university project. Got selected as the best project in the college and represented college in university competition.
